*Available in - .WG, .LO, .R, .BL

Industry's 1st and only BBA approved recycled roofline from Homeline.

Virgin PVC-U Skin
To guarantee a match, we use the same process as our non-recycled fascias. This means once installed – it's impossible to tell the difference!

100% Recycled Core
We use recycled PVC-U windows, rooflines and doors that are re-extruded into our inner core, which meet and exceed the most stringent recycling and sustainability criteria.

Flat (16mm)
